

Social Learner Curriculum Picks

Social Learner

Some children don't just learn—they connect, collaborate, and create together. 🤝🌱 Social learners thrive when learning is a conversation, a team effort, and a shared adventure.

💡 These curricula are:

- Project-based & interactive
- Designed for discussion & peer collaboration
- Built for cooperative problem-solving

1. Build Your Library (BYL) Group Study Kits

<https://buildyourlibrary.com/group-study>

- **Why it works:** Literature, discussion prompts, and collaborative projects for co-ops and small groups. Sparks conversation, critical thinking, and teamwork.
- **Perfect for:** Group book discussions, co-op activities, shared learning projects

2. Drama Notebook

<https://dramanotebook.com>

- **Why it works:** Drama games, scripts, and role-play activities strengthen empathy, communication, and collaboration.
- **Perfect for:** Acting exercises, creative storytelling, group performances

3. Outdoor Hour Challenges

<https://outdoorhourchallenge.com>

- **Why it works:** Weekly nature activities encourage exploration, discussion, and hands-on learning outdoors.
- **Perfect for:** Group nature walks, scavenger hunts, environmental learning

4. Project-Based Homeschool Science

<https://projectbasedhomeschool.com/science>

- **Why it works:** Hands-on science units designed for collaboration and inquiry.
- **Perfect for:** Lab teams, co-op science days, family experiments

5. Circle Time Curriculum

<https://circletimecurriculum.com>

- **Why it works:** Early learner program with songs, stories, and interactive group activities. Builds social skills, communication, and literacy.
 - **Perfect for:** Preschool co-ops, family learning circles, small group story sessions
-

6. PBLWorks (Project-Based Learning Resources)

<https://www.pblworks.org>

- **Why it works:** Library of real-world, collaborative projects that nurture critical thinking and teamwork.
 - **Perfect for:** Long-term group projects, interdisciplinary learning, community-based challenges
-

7. Gameschooling

<https://www.gameschooling.com>

- **Why it works:** Learning through board games and group play encourages strategy, problem-solving, and social interaction.
 - **Perfect for:** Game nights, math & strategy challenges, cooperative play sessions
-

✨ **Tip:** Mix and match these resources weekly to balance discussion, play, and hands-on projects. Give social learners space to lead, share, and collaborate—curiosity will blossom!
