What is Classical Christian Education?

Classical Christian education is an approach that:

-  **Grounds all learning in Biblical truth**
-  **Draws from the Great Books and classical works** of literature, philosophy, and history
-  **Equips students with the Trivium** (Grammar, Logic, and Rhetoric) to think deeply and speak with clarity
-  **Shapes virtue and character** alongside academic mastery

It's about raising wise, articulate, and godly men and women who will serve Christ in every sphere of life.
